FACTS Management gives you, the busy parent, an opportunity to get more involved in your child’s academic progress and future success – all via the Internet!

ACA’s FACTS Family Portal is a private and secure parents’ portal that will allow parents to view academic information specific to their children, while protecting their children’s information from others. You may view your child’s grades, attendance, schedules, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary.

- **Family Portal** ([https://aca-az.client.renweb.com/pwr/](https://aca-az.client.renweb.com/pwr/)) allows you to access
  - Student attendance, schedules, and daily grades
  - Progress reports, reports cards and transcripts
  - Lesson plans and homework
  - School events and lunch calendar

FACTS have created a 5 minute **Family Portal Overview video**, which will give you an introduction to the system. Please watch it at your convenience by clicking here. The password to access the video is **Portal** (case sensitive).
