## Leadership Message

Assalamu Alaikum ACA Families,

As we approach the end of the first quarter, with just one week remaining, we encourage all parents to check the FACTS Family Portal regularly to stay informed about their child's academic progress and grades.

We are pleased to announce that on October 1st, ACA will host Career Day. Our Early Childhood students will participate from 8:00–10:00 AM, and our High School students will have their session from 10:00 AM–12:00 PM. If you are interested in volunteering and sharing your professional expertise, we kindly ask that you complete the volunteer form. The last day of Quarter 1 will be October 3rd, and school will resume on October 15th with the start of Quarter 2 and the launch of the Title I Tutoring Program for grades 5–12 (Math).

Additional key dates include the PSAT/NMSQT on October 22nd and the Elementary Zoo Field Trip on October 31st. Please refer to your email and Class Dojo for further communication from your child's teacher regarding the field trip.

Please note that late pickup fees will be implemented beginning Quarter 2. The use of PikMyKid and car tags is mandatory for all families. Dismissal runs from 3:00–3:20 PM on regular days and 12:05–12:25 PM on early release days. Parents arriving after dismissal is over (unless due to a school delay) will be required to park and pick up their children from inside the building, and fees will be applied.
